Saigon Exhibition and Convention Centre
Ho Chi Minh City, Vietnam

Press Release

For Immediate Release

19 February 2009

Host of Exciting Show Features at PS Vietnam 2009 and HVACR Vietnam 2009

A host of exciting show features will be lined up at the 7th edition of PS Vietnam 2009, the international exhibition on fluid, air and gas handling systems in Vietnam and the 6th staging of HVACR Vietnam 2009, the leading international exhibition on heating, ventilation, air-conditioning, refrigeration, air-filtration and purifications systems industry on **31st March – 2 April 2009** at the newly built Saigon Exhibition and Convention Centre (SECC).

PS Vietnam 2008 attracted 5,681 visitors from 25 countries, many of whom are leaders in their respective industries. PS Vietnam 2009, held in conjunction with HVACR Vietnam 2009 will continue to anchor as Vietnam's leading international industrial exhibition where buyers and sellers meet.

This year's event features a series of knowledge sharing and networking activities which include a high level Conference on IndoChina Energy Infrastructure specially designed to bring together international organisations, government departments, legal and technical experts, focusing on pertinent issues such as Economic & Development Overview for the IndoChina Region, Energy Development Co-operation Projects in Cambodia, Laos & Vietnam and Vietnam's New Energy Efficiency Initiative 2010-2015. Conducted by leading experts from Air Movement and Control Association International, Hoerbiger and HMT, the technical seminars will focus on topics like Fan Selection & Installation, System Effect, Water Treatment Flows in Refineries, A Modern Approach (Emissions and VOC control) and Solutions for Efficient Predictive Maintenance in Compression Technology.

The Unique Business Matching Service tailored for buyers and sellers ensure maximum networking opportunities to meet all peers at the show. The latest products and technology from all over the world will be showcased through a spectacular Product Parade show. Attractive Product Parade show models parading at special Product Parade area will ensure visitors a live and entertaining show with all products at a glance.

With the massive industrialisation and the abundant opportunities in the Vietnam market, leading industrial players have chosen to participate in PS/HVACR Vietnam 2009 which shares the 2020 Vietnam government's vision to develop the industrial sector to be globally competitive. Mr Javin Ng, Operations Director of Velocity Energy states, "We have chosen to participate in PS Vietnam 2009 because we see opportunities and potential in Vietnam market. And the range of products we deal with suit well for this market. Our mission for 2009 is to open up Asia market and "Vietnam" is our first choice. PS Vietnam 2009 will certainly help in developing our network in Vietnam and increase our popularity". Mr Raman Tharumalingam, Regional Senior Manager-Asia, Marketing &

Process Technology of Klinkau Asia shares the same view, "We have chosen to participate in PS Vietnam 2009 because we believe in the opportunities of the Vietnamese market. With the massive industrialisation, there will be a need for filtration systems, which Klinkau can provide filtration solutions to meet every specialized need. PS Vietnam 2009 will certainly be a bench mark to help in reaching out to our targeted customers, as well as partners as whole." Mr K.K. Wong, Area Manager of HMT Pte Ltd adds on, "In this current turbulent time, PS Vietnam 2009 provides a very significant cost effective opportunity for HMT to reach out to all our targeted customers in one location."

Speaking with confidence, Mr David Chow, Group Exhibitions Director of IIR Exhibitions highlight that "With the participation of leading industrial players showcasing the latest products and technologies and the host of exciting show activities, PS & HVACR Vietnam 2009 will promise participants an excellent platform of networking, knowledge-exchange and penetration into Vietnam's buoyant market opportunities"

To date PS & HVACR Vietnam 2009 has received support from Vietnam's Ministry of Science & Technology, Ministry of Industry and Trade, Ministry of Construction, Ministry of Planning and Investment, Vietnam's Association of Foreign Invested Enterprises and the Vietnam Association for Conservation of Nature & Environment. Air Movement and Control Association International Inc, Association of European Refrigeration Compressor & Controls Manufacturers, Association of Small & Medium Enterprises, Engineering Industries Association, Holland Pump Group, Singapore Industrial Automation Association, Turkish Pump & Valve Manufacturers' Association have also lent their endorsement to the event. These endorsements by the related government bodies and associations prove that PS & HVACR Vietnam exhibition and conference 2009 presents an important networking platform for the market place.
