

The International Industrial and Infrastructural Exhibition in Vietnam

## Press Release

For Immediate Release

22 January 2008

### **PS Vietnam 2008, HVACR Vietnam 2008 and Projects & Infrastructure Vietnam 2008 to be officiated by the Ministry of Industry & Trade and Ministry of Construction on 27 February at Ho Chi Minh City International Exhibition and Convention Centre (HIECC) in Vietnam**

Mr. Nguyen Thanh Bien, Vice Minister from the Ministry of Industry & Trade, Mr. Nguyen Tran Nam, Vice Minister and Mr. Dang Kin Giao, Director from the Ministry of Construction will officiate at PS Vietnam 2008, HVACR Vietnam 2008 and Projects & Infrastructure Vietnam 2008 respectively on 27 February at 9.05am at Ho Chi Minh City International Exhibition and Convention Centre (HIECC) in Vietnam.

The exhibition is strongly supported by the Ministry of Industry & Trade, Ministry of Construction, Ministry of Science & Technology and many leading industry associations: Vietnam Water Supply and Sewage Association, Vietnam Association of Construction Contractors, Vietnam Federation of Civil Engineering Association, Korea Refrigeration and Air-conditioning Industry Association, Regional Institute of Environmental Technology, Taiwan Fluid Power Association, Engineering Industries Association, Indian Water Works Association, International Institute of Refrigeration, Japan Society of Refrigerating and Air Conditioning Engineers, Spanish Association of Fluid Handling Equipment Exporters, International Institute of Refrigeration, Association Francais Du Froid, Air Movement & Control Association International, Association of European Refrigeration Compressor and Controls Manufacturer and Associazione Italiana Produttori Pompe.

“Every industry in Vietnam is booming, especially in the fluid, air, gas, real estate and infrastructure, generating the huge demand for energy efficiency and modern water, heating, ventilating and air-conditioning facilities. The robust strength of the Vietnam economy continues to attract international manufacturers globally. With the strong support from the Ministries, internationally recognised associations and country pavilions, this event is a great platform for overseas manufacturers to enter Vietnam and meet buyers and specifiers.” said Mr. Simon Ng, Group Exhibitions Director.

Participants from over 16 countries and pavilions from Singapore, Taiwan and Korea show the strong level of international interest. At this event, sellers and developers will have the opportunity to interact with customers, many of whom are leaders in their respective industries. In the event, there will be an enriching three days of seminars conducted by industry experts.

Ms. Sharon Lim, Exhibitions Director said: “PS Vietnam 2008, HVACR Vietnam 2008 and Projects & Infrastructure Vietnam 2008 shares the Vietnam government’s vision of strengthening Vietnam’s position in the region. The economic outlook is bright with a nationwide spread of industrial corridors from southeast to northwest of Ho Chi Minh City to neighbouring areas, coupled with a 2020 government vision to develop the industrial sector in the north by investing US\$26 billion for development. The exhibition is fully
